

Screamfeeder – BUNNY / press release Jan 2004

Screamfeeder's 4th single from "*Take You Apart*" is the surprise package.

Widely thought of as the high point of the album, and a super punchy live favourite, **Bunny** tears out of the speakers like it has a pack of rabid dogs on its tail.

"I'm trying to buy something that ain't.. being.. sold!" howls singer Tim Steward; this sums up the wound up emotion and sonic charge of the song.
